

# Threshing Shed

Herrick Archives Number H 950

The only clue to this property is a photograph (X 7741) in Photoarchives labelled "Threshing Shed in the woods, Sells Farm, c. 1930." This could be part of H 939 or H 949, but the phrase "in the woods" suggests a location in the woods southwest of H 949.

John H. Herrick
